Children's Shoes A Corollary to the Shoe Sale

UR recent and present shoe selling have attained monumental proportions in the eyes of those watchful and alert people, the shoe-

makers and factors. Eyes eager for large outlets have been fixed hungrily upon our selling, and lot after lot of shoes has been offered

delusive. other things than the prices, and very little of these goods have been variety. admitted to our stock, because they failed to measure up to our standards. But the other day the bestknown maker of Children's Shoes in

all America made his offer. There was no question about quality this time, - better children's shoes than his are not made, because he makes them just as well as they can be made. We accepted this offer and here's the result. Qualities, as stated above, are best. As to prices, Examine qualities. judge for yourself, -they follow: -
